1. You're a falling star,
you're the getaway car
You're the line in the sand,
When I go too far
You're the swimming pool
On an august day
And you're the perfect thing to say

2. And you play it coy but it's kinda cute
Ah when you smile at me you know exactly what you do
Baby don't pretend that you don't know it's true
Cause you can see it when I look at you

3. And in this cra-zy li-fe
And through these cra-zy times
It's you
It's you
You make me sing
You're every line
You're every word
You're everything

And in this cra-zy li-fe
And through these cra-zy times

You make me sing

4. You're a carousel
You're a wishing well
And you light me up
When you ring my bell
You're a mystery
You're from outer space
You're every minute of my every day

Yes I am
Yes I am
I light you up

Yes I am
Yes I am

5. And I can't believe, uh that I'm your man
And I get to kiss you baby just because I can
Whatever comes our way
I Will see it through
And you know that's what our love can do

Whatever comes our way

Everything
